

Autumn Symposium

**An all day symposium, for practitioners using acupuncture in dentistry
to be held at Regent's College Conference Centre, London,
on Saturday 1st October 2011.**

The first half of this all day "hands on" meeting will consist of lectures and some practical small group training to develop participants' skills in the use of additional acupuncture techniques. This will be led by Traditional Acupuncturist Kim Maidment, who will demonstrate the use of cupping, and Moxibustion.

The second half of the day will look at the latest developments in research in acupuncture, and give participants the opportunity to present their own cases or ideas.

Cost £90 to include catering.

Fulfills requirements for 5 hours Verifiable CPD.

To book your place, please email Dr L Rhodes at lsr@lsriley.co.uk or complete the application slip below
